Vs.

Management of Noonoodih Colliery,
M/s. Indian Iron & Steel Co. Ltd.,
P.O. Bhaga—*Opposite Party*.

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947.

PRESENT:

Shri Salim M. Merchant, Presiding Officer.

APPEARANCES:

For the applicant:—Shri D. Narsingh, Advocate with Shri B. N. Sharma, Member, Executive Committee, Colliery Mazdoor Sangh, Dhanbad.

For the opposite party:—Shri S. Kanwar, Deputy Labour and Welfare Superintendent.

STATE: Bihar.

INDUSTRY: Coal Mining.

Camp: Bombay, dated 10th August 1962

AWARD

This is a complaint, purporting to be under section 33A of the Industrial Disputes Act, 1947 (Act 14 of 1947), (hereinafter referred to as the Act), and is directed against the order of dismissal dated 20th January 1962 passed by the management against the opposite party. The complaint has been filed on the footing that the applicant was a workman concerned in the industrial dispute—Reference No. 12 of 1961—which was pending before this Tribunal on the date of the dismissal. The gravamen of the complaint is that there has been a violation of section 33 of the Industrial Disputes Act by the opposite party inasmuch as it has failed to take the approval of the Tribunal for his dismissal during the pendency of Reference No. 12 of 1961, in which he was a workman concerned.

2. The opposite party in its written statement in this application has raised a preliminary objection that this complaint is not maintainable as there has been no violation of section 33 of the Industrial Disputes Act by it, inasmuch as the opposite party was not a workman concerned in the industrial dispute—Reference No. 12 of 1961 and, therefore, it was not necessary for it to obtain the approval of the Tribunal by an application under section 33(2)(b) of the Act, though out of abundant caution it had filed an application for approval under section 33(2)(b)—being application No. 7 of 1962 in Reference No. 12 of 1961.

3. This complaint was heard by me along with the opposite party's application under section 33(2)(b) of the Act (Application No. 7 of 1962) for approval of the company's action in dismissing the complainant from its service and by my order of even date in that application I have, following with respect, the principles laid down by the Patna High Court in the case of Khagesh Sarkar and Others—Petitioners vs. Tatanagar Foundry Co. Ltd., Jamshedpur and Others—Respondents [1961 A.I.R. (Patna) p. 420], held that the complainant was not a workman concerned in Reference No. 12 of 1961. For the reasons stated in my order of even date in that application (Application No. 7 of 1962), I hold that the Applicant herein, Shri Jagnarayan Singh, was not a workman concerned in Reference No. 12 of 1961.

4. As I have held that the complainant is not a workman concerned in the industrial dispute—Reference No. 12 of 1961—it must be held that there was no violation of section 33 of the Act. Now, a complaint under section 33A of the Industrial Disputes Act can only lie if a breach or violation of section 33 of the Act is established. But here as the complainant was not a workman concerned in the industrial dispute Reference No. 12 of 1961 it must be held that there has been no violation of section 33 of the Act and consequently this complaint is not maintainable.

5. In the result, the complaint is dismissed as not maintainable.

6. I, however, make it clear that I have expressed no opinion on the merits of dismissal of the complainant and I must not be understood to have expressed any opinion on its justification or otherwise.

No order as to costs.

Versus

The Chief Mining Engineer, M/s. Tata Iron & Steel Co. Ltd., Jamadoba, Jealgora, Dhanbad.—Opposite Party.

In the matter of a complaint under-section 33A of the Industrial Disputes, Act, 1947.

PRESENT

Shri Salim M. Merchant, Presiding Officer

Camp: Bombay dated 14th August 1962

APPEARANCES:

For the applicant.—Shri P. Chanda, President, Tata Collieries' Workers' Union with Shri A. K. Bhattacharjee.

For the opposite party.—Shri G. Prasad, Chief Personnel Officer with Shri S. N. Singh, Welfare Officer, Tata Iron & Steel Co. Ltd.

STATE: Bihar.

INDUSTRY: Coal Mining.

AWARD

This is a complaint purporting to be under section 33A of the Industrial Disputes Act, 1947, and the complaint is based on the footing that the management has violated the provisions of section 33 of the Act inasmuch, as it did not take either the approval or permission of the Tribunal before dismissing the complainant from its service—though the complainant was a workman concerned in four industrial disputes specifically mentioned in the application being References Nos. 27, 34, 40 and 49 of 1960, which according to it were then pending before this Tribunal. The management has denied that there has been any breach of section 33 of the Act by it inasmuch as it had by its application dated 17th December 1960 under section 33(2)(b) of the Act—being application No. 44 of 1960—applied for approval by this Tribunal of its action in dismissing the complainant herein from its service.

2. Shri Pratish Chandra for the applicant has contended that the applicant has not complied with the requirements of section 33(2)(b) of the Act. Now section 33(2)(b) of the Act is as follows:—

“During the pendency of any such proceedings in respect of an industrial dispute the employer may, in accordance with the standing orders applicable to a workman concerned in such dispute—

* * *

(b) for any misconduct not connected with the dispute, discharge or punish whether by dismissal or otherwise that workman.

Provided that no such workman shall be discharged or dismissed, unless he has been paid wages for one month and an application has been made by the employer to the authority before which the proceeding is pending for approval of the action taken by the employer."

3. Shri Pratish Chanda's contention is that the company's application was not maintainable under section 33(2)(b) of the Act, because it was filed on 17th December 1960 whilst the dismissal has taken effect from 24th December 1960. But I find that the company by its letter No. JBM/473/18694 dated 17th December, 1960 addressed to Shri Bhattacharjee, a copy of which it has annexed to its application No. 44 of 1960, had clearly stated that he was dismissed from the company's service from 24th December 1960. In that letter it was also stated that an application was being filed before this Tribunal for approval of its action and Bhattacharjee was offered one month's wages which he was asked to collect on 24th December 1960. By another letter of the same date, Shri Bhattacharjee was informed that he would not be required to work from 18th December 1960, though he would be paid for the period from 18th December 1960, to 23rd December 1960. Shri Pratish Chanda's grievance, however, was that this notice was received by the applicant, Bhattacharjee, on 5th January 1961. Even if it were so, I do not think that that would make any material difference or can be said to have prejudiced the applicant in any way or be considered as having resulted in non-fulfilment of the second condition prescribed by the proviso to section 33(2)(b). In any case, the company's application—Application No. 44 of 1960 under section 33(2)(b) of the Act is dated 17th December 1960, and I am satisfied that the company's action in dismissing Shri Bhattacharjee and filing an application for approval before this Tribunal was simultaneous and therefore there was compliance with the second condition of the proviso to section 33(2)(b) of the Act. By its letter dated 17th December 1960 the company had also clearly offered the workman one month's wages and asked him to collect it from the office on 24th December 1960. This was undoubtedly in compliance with the first condition of the proviso to section 33(2)(b). There is, therefore, in my opinion, compliance of the requirements of section 33(2)(b) of the Act by the company.

4. I, therefore, hold that there has been no breach of section 33 of the Industrial Disputes Act by the opposite party and therefore, this application is not maintainable and the same is dismissed as not maintainable.

5. I must, however, make it clear that I must not be understood to have expressed any opinion on the merit of the dismissal of the applicant, Shri A. K. Bhattacharjee or whether it was justified or not.

No order as to costs.

S.O. 2726.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Bombay, in the matter of an application under Section 33A of the said Act from Shri Bharosa, son of Kamta, Lohar, Machine Helper, T. BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, BOMBAY

Vs.

In the matter of application under section 33A of the Industrial Disputes Act, 1947.

PRESENT:

Shri Salim M. Merchant, Presiding Officer.

APPEARANCES:

For the applicant:—Shri P. P. Khambatta, Advocate with Shri G. L. Govil, Personnel Officer.

For the opposite party:—Shri K. B. Chougule, General Secretary, and Shri G. C. Jaiswal, Organising Secretary, Nowrozabad Colliery Mazdoor Sangh.

STATE: Madhya Pradesh.

INDUSTRY: Coal Mining.

Bombay, dated 7th August 1962.

AWARD

This is a complaint purporting to be under section 33A of the Industrial Disputes Act, 1947 (Act 14 of 1947), and is directed against the order of retirement dated 8th April 1962 passed by the opposite party against the applicant. It is not disputed that the applicant was a workman concerned in Reference No. 17 of 1961, but it is urged on behalf of the management that this complaint is not maintainable as the management has not committed any breach of section 33 of the Act, and, therefore, the first question that falls for determination is whether the management had contravened the provisions of section 33 by retiring the complainant from its service.

2. Now it is admitted that the management had on 19th May 1961 served a notice on the opposite party informing him that on his reaching the age of 60 years he would be retired from the service of the company on 31st December 1961. It appears, however, that this notice was overlooked and therefore by a subsequent letter dated 8th April 1962 the opposite party was retired from service with effect from 13th April 1962. In his letter of 8th April 1962 the management of the Colliery stated as follows:—

“Your attention is drawn to our letter No. NC/A-9/3087, dated 10th/19th May 1961, wherein we had stated that you would be retired on 31st December 1961, on attaining the age of 60 years of age. Owing to inadvertance, you were not retired on due date. Therefore you are now given notice that you will be retired on 30th April 1962.”

3. Now, Shri Chougule has argued that as the notice dated 8th April 1962 was served during the pendency of the proceedings of the industrial dispute Reference No. CGIT-17 of 1961, before this Tribunal without the permission or approval of the Tribunal having been obtained as required by section 33 of the Act, the company had committed a breach of section 33 and this complaint was, therefore, maintainable.

4. Shri P. P. Khambatta, learned Counsel for the opposite party, has, on the other hand, argued that the notice dated 9th April 1962 was really in continuation of the earlier notice dated 19th May 1961, which admittedly was issued prior to the date of the Government Order referring the industrial dispute in Reference No. 17 of 1961, to adjudication by this Tribunal, and by which the complainant was intimated that his services would be terminated on his attaining the age of 60 years. Now, it is well settled that unless an overt act is done terminating the services of the workmen during the pendency of the proceedings of an industrial dispute before a Tribunal, there can be no contravention of section 33 of the Act, and that the termination of the services of a workman during the pendency of proceedings of a reference before the Tribunal which results from a notice given prior to the date of the reference, would not constitute contravention of section 33. I have in my award dated 3rd July 1962 in another application arising out of this very reference, being Application No. CGIT-4 of 1961 in Reference No. 17 of 1961—*Parmeshwardcen. s/o Ramcharan Singh vs. Messrs. Associated Cement Companies Ltd.*—[see Gazette of India. Part II. Section 3(ii). dated 28th July 1962, pages 2663 to 2665] following the decision of the Labour Appellate Tribunal in the case of *Imperial Chemical Industries (I) Ltd., Amritsar and Chunnilal* (1957 II LLJ. p. 153), upheld a similar contention urged by Shri Khambatta. In my opinion the second notice, dated 8th April 1962 was really in continuation of the earlier notice, dated 19th May 1961 which admittedly was given prior to the Government order referring the industrial dispute in Reference No. 17 of 1961 to this Tribunal. Though the second notice is actually, dated 8th April 1962 I am satisfied that it is in fact and for all material purposes in continuation of the earlier notice, dated 19th May 1961,

and as such I hold that there has been no contravention of section 33 of the Industrial Disputes Act by the company.

5. In that result, the legal objection against the maintainability of this complaint urged by Shri Khambatta must be upheld. This application is, therefore, held to be not maintainable and shall stand dismissed as such.

No order as to costs.

AND

Employees, Rajasthan, Ajmer.

Shri J. C. Jaitly—for the management.

Shri Chamman Lal Bhardwaj—for the workmen.

AWARD

In exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, the Central Government referred an industrial dispute existing between the Punjab National Bank Limited and their workmen, for adjudication to the Industrial Tribunal, Delhi by an order No. S.O. 51/63/61-LRIV, dated the 23rd November, 1961. The dispute relates to the matter specified in the Schedule annexed to the said order.

SCHEDULE

Whether having regard to the duties performed by him, Shri Ambalal A. Barot of Abu Road Branch of the Bank is entitled to the special allowance prescribed for Daftries in para 169 of the Award of the All India Industrial Tribunal (Bank Disputes) as modified by the decision of the Labour Appellate Tribunal in the manner referred to in section 3 of the Industrial Disputes (Banking Companies) Decision Act, 1955 (41 of 1955) and if so, from which date after the 11th September 1961?

2. On the usual notices being issued the General Secretary of certain bank unions so authorised by the workman concerned filed the statement of claim on his behalf and for the Bank its Staff Manager filed the written statement.

3. The case on behalf of the concerned workman is that he joined the services of the Bank as a Peon on 3rd July 1950 at Abu Road. When on 1st April 1954 one Shri Jiv Ram Anandji Taunk, the permanent Daftry was promoted as a clerk-cum-godown keeper, the Bank instead of appointing another Daftry took the duties of Daftry from him with effect from that date. He is therefore entitled to a special allowance of Rs. 10/- per month with all other benefits thereon under Paragraph 169 of the Sastry Award from the date he discharged the said duties.

4. The order of the reference dated 23rd November 1961 was received on 30th November 1961 and it was registered and numbered as I.D. No. 325 of 1961 on 1st December 1961. On the next day the concerned workman has filed an application under Section 33C(2) of the Industrial Disputes Act being L.C.A. No. 924 of 1961, where the benefit claimed for the purpose of computation is the same, namely special allowance of Rs. 10/- per month under Paragraph 169 of the Sastry Award for performing the duties of a Daftry with effect from 1st April 1954. In so far as this application under Section 33C(2) of the Act is concerned, the Bank contended that in view of the reference already made by the Government under the order dated 23rd November 1961 for adjudication no such application for computation was permissible and it should be rejected in limine. The Bank also denied in the main reference that the concerned employee has been performing the duties of a Daftry since 1st April 1954 and contended that he is not capable of performing any such duties being an illiterate person knowing only a little of Marwari language. The Bank further contended that any claim

prior to 11th September 1961 was beyond the scope of the reference and is as such not admissible.

5. Both the main reference and the application under Section 33C(2) were kept together for hearing, but on the date fixed for the purpose, the parties arrived at an amicable settlement under which the Bank agrees to pay to the applicant the Dafttry special allowance in terms of Paragraph 169 of the Sastry Award at half the rate with effect from 22nd December 1954 to 19th June 1961 in full and final settlement of his claim. Under the reference if the concerned employee is held entitled to the special allowance in question, what is to be decided is from which date after 11th September 1961 it should be allowed. In the application under Section 33C(2) for computation the benefit is claimed with effect from 1st April 1954 and the settlement between the parties covers the period from 22nd December 1954 to 19th June 1961, i.e., prior to the date 11th September 1961 mentioned in the terms of reference and the payment accordingly is accepted in full and final settlement of the claim. This means that the concerned workman does not press for any such claim since after 19th June 1961 and hence it is not necessary to deal with the main reference or to make any award in the same and at the instance of the parties the order in terms of the settlement is made in the application under Section 33C(2) of the Act. Both the matters stand disposed of accordingly and the memorandum of settlement filed by the parties is annexed hereto.
